The Fact Finder Residency Programme in Berlin / Winter 2018-2019

From the 10th of October 2018 to the 10th of January 2019, The Fact Finder organises a **self-directed residency for artists or curators** whose work is based **on research**.

Theme of the residency: **fact finding**. Field research / immersive journalism / flâneur-ism / archiving / voyaging / storytelling are examples of the processes we regard as fact-finding missions, among others.

Studio

The selected resident will have access to a studio space for three months in a well-known art and gallery district of Berlin (Schöneberg). In addition to the working space, we offer the possibility of presenting the results of the residency in a form of a final exhibition or a talk event.

The studio-facility has a total area of 50 sqm, (two rooms) with an additional storage area, bathroom and utilities. The space is not a live-in studio. The residents are recommended to arrange for their own accommodation, travel and insurance while in Berlin.

Duration

The three-months self-directed residency programme is opened to both curators and artists, for new research or for production based on the results of a prior research.

Exhibition / Presentation of results

The final residency exhibition will take place over a one-week duration (within the residency period). Alternatively, the resident may sustain a short presentation of results in a form of a talk.

Support offered during residency: the resident will receive support from the space manager, interns and help with the organisation and promotion of the final exhibition.

Costs

The residency fee is in the total amount of **1800 euro**, plus an initial **deposit fee of 300 Euro** (deposit to be returned in one month after the end of the residency period). The payment of the fee shall occur in two installments, first payment in September 2018, latest one week before the commencement of the residency, and the final one at the end of October 2018, by bank transfer.

Application

Interested applicants are kindly required to send max. one A4 size page residency proposal; a short portfolio; a CV at thefactfinderberlin@gmail.com, preferably in English (French or German also accepted), no later than **30 August 2018**.
