*When things will find their place*

An embroidered cotton textile (170 x 300 cm) is suspended on a wooden construction, one side of which is made of thin, wooden slats. Patterns are embroidered with blue, red, yellow, green and turquoise threads. A single pattern line is approx. 30 cm high.

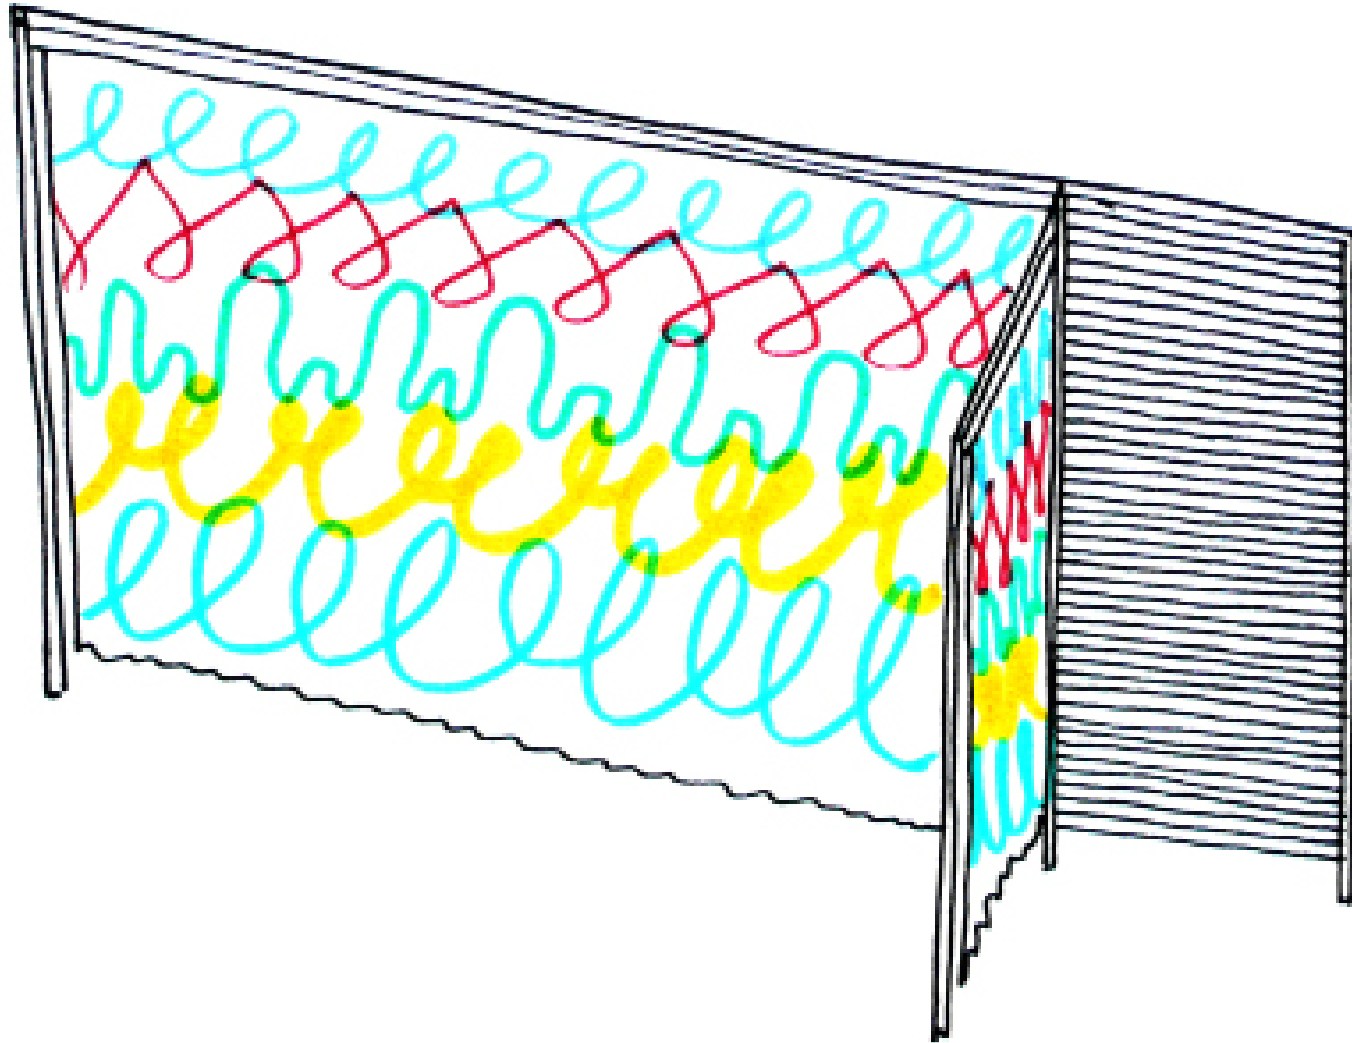

The sculpture *When things will find their place* is in progress. The embroidered textile has been produced recently. Approximate dimensions of the work: 185 x 250 x 70 cm.
